

**TOWN OF LIBERTY
MANITOWOC COUNTY, WISCONSIN**

Resolution No. 2014-01

**RESOLUTION AUTHORIZING TOWN CLERK TO DESIGNATE ELECTION
INSPECTORS NUMBER, SHIFTS & ALTERNATES ON ELECTION DAY**

BY, the provisions of State of Wisconsin Statutes, and the Election and Campaign Manual for County and Municipal Clerks the following regulations are to be administered by the Clerk;

BY, the provisions of State of Wisconsin Statutes, each polling place should have seven inspectors. The governing body of the municipality may reduce the number of election inspectors by ordinance or resolution. They may also provide for the selection of alternates or for the selection of two sets of inspectors to work at different times on Election Day. The alternates may be used to allow inspectors to leave the polling place for meal breaks. No polling place may have fewer than three election inspectors at any time.

THEREFORE, BE IT RESOLVED, that the Town of Liberty Board hereby authorizes the Town Clerk to determine the number of poll workers to work each election, in either numbers of 3, 5 or 7 depending on the number of ballots and anticipated voter turnout. Also the Town Clerk may authorize split poll worker shifts when it is necessary. In addition authorization of the Town Clerk or an alternate from the bi-annually approved election inspector list of poll workers to cover the polls for each inspector for their meal breaks. It is also the Clerks duty to provide the election inspectors with training, or have them attend training classes and to administer the oath of office to all inspectors every two years.

Town of Liberty Town Board
